Family Connections

A quarterly letter for connecting with families of children ages 3 to 6 at <Type your church or children's ministry name here>

Welcome to Family Connections—the quarterly newsletter that helps you know what your child is learning from God's Word. Please let us know if we can help you in any way as we partner with you to grow kids in Jesus.

Family Thought

God said David was a man after His own heart (1 Samuel 13:14; Acts 13:22). What did David do to earn this reputation? The answer is given in those same verses—David did what God said to do. What kind of reputation are you earning today?

Coming This Quarter

Units of learning include:
- David
- Kings Who Loved God
- Elisha

Family Memory Challenge

Bible verses your child will be learning this quarter include:
- Proverbs 17:17
- Deuteronomy 6:5
- Psalm 124:8

Simple sign language can help you and your child remember verses from the Bible. Look online to find the ASL signs for key words in this quarter's Bible Memory verses: friend, love, Lord, heart, help. Learn the signs and use them as you say the verses. Use the signs in everyday conversations and keep God's Word in your heart.

Growing Together

As your child is involved in this quarter's Bible lessons, he will have the opportunity to travel to a number of exciting Bible-time sites: a king's palace, a battlefront, a construction site, a simple home. In each of these places God was present, helping kings, prophets, and common people who loved and obeyed Him.

Help your child understand that God is also with your family everywhere you goes. Keep a camera handy to take family pictures. Take pictures of your family at vacation sites, sports events, work places, and home. Collect postcards and brochures when you travel. Draw pictures of visits with relatives or friends. Make a summer scrapbook or photo album. On the cover or an opening page, letter "Our Summer with God." As you look back through the pictures, your family will be reminded of all the times and places God was with you.

For more family fun, go to www.21stcc.com and click on "Free Resources" to find the free weekly family pages for your child's age level.
