

FAITH & FAMILY

FAMILY CREATIONS

Write "Thank You, Jesus" at the top of a whiteboard or poster board displayed in your home. Provide dry-erase markers or self-stick notes. As family members recognize or think of great things Jesus does, have them add those things to the board. At the end of the week, have a family praise time to thank Jesus for all the great things He does.

GAME TIME!

Play a family thank-you game. Cut pieces of colorful construction paper into small rectangles, approximately 2½" x 4". Mix up the papers and begin to pass them around the circle. Have one person name a color and then say "Stop and be thankful!" At that point, everyone should stop passing the papers. Anyone holding a paper the color that was called should name something to be thankful for that is that color. For example, if someone is holding a red paper, he might name an apple, a rose, or a red bird. When everyone has had a turn choosing a color, stop and thank Jesus for all He has done for us.
